Sushovan/Steve,

Given the proximity of the purchase of Microlink post year end, we need to ensure that we have performed sufficient work to understand the nature of the recent transactions with them and importantly the recoverability of the amounts which Microlink are due from their end users.

Given the significant sales to Mictotech in the final quarter, we also have some further questions on these sales.

I attach a list of info/questions which it would be helpful to discuss.

Steve – I will call you shortly.
